

Are We Right For You?

Take the Quiz:

1. Do you struggle with an addiction or mental health issue?
2. Do you have difficulty at home, school or work due to our addiction or mental health?
3. Do you feel like your life has spun out of control?
4. Have you noticed your physical and/or mental health declining?
5. Have your friends or family ever told you they thought you had a problem?
6. Do you find yourself always thinking of your drug of choice?

If you've answered yes to any of these questions, our professional and caring staff can help.

We offer various programs and services which can assist you in coping with addiction and/or mental health issues. We can help you recover your happiness and health on the path to sobriety.
